- 1.2 The terms and conditions comply with the Competition & Market Authority's (CMA) guidance on consumer law as applied to the context of higher education. If you have any questions or concerns about these terms and conditions or the Contract, please contact Admissions, email admissions@moorlands.ac.uk, Moorlands College, Sopley, Christchurch, Dorset, BH23 7AT (Tel. 01425 674500).
- 1.3 The Contract is valid from the time you accept an offer as an affiliate student until these studies conclude through either completion or otherwise departing. There are certain activities which we may undertake outside of this period which are defined below. Upon the ending of the Contract, access to services and systems provided by the College for your studies, for example learning resources, email, Office365 and the VLE, will be normally withdrawn within two months. The College will usually give prior notice to any amendments to these terms and conditions or underlying documents. A copy of these terms and conditions is available on the College's VLE for registered students.
- 1.4 Being an affiliate student means that you study modules similar in design to Higher Education modules offered by the College, but successful completion of these modules does not lead to the award of academic credit and so you are not formally classed as a Higher Education student, and you will not receive any Higher Education award.
- 1.5 By accepting an Offer, you agree to comply with, and be bound by, the Contract including the following regulations, policies and procedures (as amended from time to time and as applicable to you) should you become an enrolled student:

Students who are not enrolled are not entitled to attend classes or participate in assessments for any modules.
- 1.7 If you do not act in accordance with the Contract, or if you do not meet our expectation that you will maintain a standard of conduct which is not harmful to the work, good order or good name of the College, we may take disciplinary action against you, under the Conduct Review Procedures. One of the possible outcomes of such an action is that your Contract with us may be terminated and you may be removed from your modules.
- 1.8 If any term, condition or provision contained in the Contract is held to be invalid, unlawful or unenforceable to any extent, such term, condition or provision shall, to that extent, be severed from the Contract between yourself and the College without affecting the remaining terms and conditions which shall continue to be valid to the fullest extent permitted by law.
- 1.9 In the event of any conflict between a provision in these terms and conditions and the documents forming part of the Contract (including any professional bodies' terms and conditions (if applicable)), these terms and conditions shall take precedence.

2. APPLICATIONS

- 2.1 It is your responsibility to ensure that all of the information you provide to the College is true and accurate.
- 2.2 If it is discovered that your application contains material inaccuracies or fraudulent information, that significant information has been omitted from your application form, or that your suitability for the training that the College offers has changed materially, the College may withdraw or amend your Offer, or terminate your registration at the College, according to the circumstances, without liability to you.
- 2.3 The Offer the College makes to you will be conditional or unconditional. If your Offer is conditional, the College will set out the conditions which you will need to fulfil in order to be admitted onto your chosen modules.
- 2.4 If you have not fulfilled the conditions of your Offer before the date notified to you in your Offer or any other date notified to you, the College reserves the right to withdraw your Offer.

15.2. The Contract constitutes the entire agreement between you and the College in relation to its subject matter.
